Section 3: Terms & Conditions

1. This is not automatic extended cover and is only valid if registration is received within the allocated time frame. All registrations must be received within 90 days of the date of purchase. Failure to register any heaters will render this offer null and void and a standard 2-year manufacturer's warranty will apply.
2. The 5-year warranty only applies to the Mirrorstone heaters and excludes all end-of-line or clearance items. Other products are subject to the standard 2-year warranty of their manufacturer's respective warranties.
3. This promotion applies to domestic homeowners residing in the UK mainland or the Channel Islands.
4. This promotion excludes the Republic of Ireland.
5. In the event of a claim, proof of purchase will be required to validate all periods of cover and to authorise any parts required.
6. The company is not responsible for application forms delayed or lost in transit.
7. The warranty is non-transferrable between products, persons or property.
8. For a full list of terms and conditions, please refer to our terms and conditions page – <https://www.mirrorstoneheating.co.uk/terms/>
